

Dear Armadale Youth CAN members,

On behalf of the Youth Partnership Project, Save the Children Australia and the City of Armadale would like to give a huge thanks to all those who attended yesterday's Armadale Youth CAN Action Plan Workshop. It was great to see you all so passionate and actively involved in the discussions, willing to share ideas, and eager for greater collaboration, partnerships and friendships within the Armadale youth sector so that we are able to increase support in meeting the needs of and developing the young people in our community.

The YPP team will now collate all the information into a 'Youth Action Plan' for the CAN and the City of Armadale, so as soon as we have the preliminary findings, we will circulate it to the group and discuss it at the next CAN meeting.

Thank you all again for your continuous support and commitment.

We look forward to working with you all and seeing you at the next CAN meeting.

Thanks heaps again and speak to you guys soon!

Kind regards
